

Church News 1800-1899

1846

We are glad to find that it is at length determined to repair the fine old parish church of Broad Chalk, (the mother church of the deanery of Chalk); and to re-arrange the seats, so as to afford better and increased accommodation to the inhabitants of that populous and important village. It is also in contemplation to effect the same desirable object in the parish church of Maddington, in this county
