October 1771

The Stone Coffin was taken up out of ye Church Porch.

It was discovered there about 20 years ago, when a Person of this parish was buried close by it. The Coffin then was opened & most of ye Bones in it were entire. Some of ye Stroud remain^d & a Cricifix made of Wood lay on ye Breast of ye Deceas^d & ye Head in ye Arch at ye Upper end of ye Coffin. When it was remov^d it was all mouldered to Dust except part of ye Skull & a very few of ye Bones. The othe Coffin had been taken up time immorial & had ye Arch for a Head.
